IMS Scholarship
China,

Dear Sir/Ma,

LETTER OF RECOMMENDATION FOR MR. NDUKA, RALUCHUKWU CHIDUME

I hereby write in support of the above mentioned officer to participate in your scholarship programme.

2. Mr. Nduka, Raluchukwu Chidume holds a Bachelor of Technology Degree in Biochemistry from the Federal University of Technology Owerri and Master's degree in Nuclear Security at the University of National and World Economy, Sofia, Bulgaria.

3. I have known Nduka, Raluchukwu Chidume since the start of his career with the Nigerian Nuclear Regulatory Authority in 2011 as a Regulatory Officer in the department of Nuclear Security, Physical Safety and Safeguards. He has since then displayed an intelligent and resourceful character and shows a commendable dedication to work. He is academically sound and welcomes opportunities that would enable him improve personally and professionally. He has participated in domestic and international trainings and excelled among his peers. I have no reason to question his integrity and I am convinced he is capable of participating actively in the programme if he is accepted.

4. He also, has excellent command of the English Language and has indeed undertaken all his education in English. His English Language skills are satisfactory and adequate for the programme he is applying for.

5. I have however noted that, he still needs specialized training like this to acquire the necessary skills in specialized areas. Therefore, without any hesitation, I kindly recommend him to you for participation in the forthcoming training program.
