RECOMMENDATION IN RESPECT OF UMAR AHMAD ADAM

I write to attest that Umar Ahmad Adam was my students who completed his three years Senior Secondary Education in the school. I have him to be hard working and dedicated. He pursued his Academic career with so much interest and seriousness.

In view of this, I would not hesitate to recommend him for admission in your institution as he would abide by the rules and regulations guiding the university.

Thanks

Yours faithfully

Fadimatu M. Adam
