PROFESSIONAL SUMMARY

I am an intelligent committed science student with an unfaltering desire for development and meaningful changes in my community. My experiences have shaped me with courage, respect and a sense of humanity. Being exposed to diverse environments has built in-depth cross-cultural understanding and gained insights on how to communicate with people in regard to their age, background and mood.

WORK HISTORY

Great Hope Foundation, Ambassador. (June 2023-September 2024)

I developed my leadership skills by encouraging students at Kibaha Secondary School to actively engage in doing different projects helping to address different problems at the school.

Mobile home teacher, Tutor. (January 2022-)

Enhanced interactive lessons with underprivileged students at their homes privately after school or during holidays when I'm also during my holidays. Taught Mathematics, Physics and Maths, also inspired students to keep their goals high with education.

Dar Open Debate and Public Speaking Competition, Adjudicator. (December 2024)

I had an opportunity to adjudicate students in secondary in this debate competition organized by TZCRO.

Dar Open Debate and Public Speaking Competition, Adjudicator. (January 2025)

I had an opportunity to adjudicate students from primary schools in this debate competition organized by TZCRO.

Junior Festival 2025 (February 2025)

I had an opportunity to adjudicate debates and spelling bees by primary students in this competition which was organized by TZCRO.
