

To whom it may concern,

I am writing this reference letter on behalf of Mr. Abdulrahman Anka Sambo, who has requested a recommendation in support of his application for further academic pursuits. I have had the pleasure of serving as an instructor to Mr. Sambo during his studies at Rauf Denktas University and am familiar with his academic capabilities and personal qualities.

Mr. Sambo was enrolled in several courses that I had the privilege of teaching, including Introduction to International Relations, Introduction to Law, International Criminal Law, and International Commercial Arbitration, among others. Throughout these courses, Mr. Sambo displayed exceptional dedication, and intellectual curiosity. His intellectual curiosity set him apart as a diligent and motivated student.

Throughout his academic journey, Mr. Sambo consistently displayed professionalism, maturity, and a strong work ethic. He was punctual and prepared for every class, actively participated in discussions, and sought clarification whenever necessary. His eagerness to learn and his ability to apply theoretical concepts to real-world scenarios were highly commendable.

His commitment to his studies, his intellectual capabilities, and his personal integrity make him an excellent candidate for further academic endeavors.

I wholeheartedly recommend Mr. Sambo for admission to any academic program or position that he seeks. If you have any further questions or require additional information, please do not hesitate to contact me.

Sincerely,

Assist. Prof. Dr. Hamidreza Monibi

Former Head of the Department of International Relations and International Law
