Re: **Recommendation letter for PhD from professor**

TO WHOM IT MAY CONCERN

Dear sir/Madam;

This is to certify that Mr. **Dukuzumuremyi Claude Jean Prince**, I know him since semester1, 2018 and he is due to graduate by the end of July 2021 as he enrolled at Maternal, Child and Adolescent Health Department, Xiangya School of Public Health and Preventive Medicine, Central South University.

With regard to his academic performance, I find him very dedicated and good professional in the field of Public Health and Preventive Medicine, he is self-made and sufficient experience in research in concerned field. He published papers, and good grade point in accordance with international standard. He always loves to work in the new areas of education and training. Now he prepared very good proposal for research and such research project is much related to current issues of the field. On the basis of discovered factors, strategies and plan.

Therefore, I am pleased to recommend him as a strong candidate for admission, scholarship and any other consideration at in your esteemed institution. I wish him good luck for bright future.

Kind regards,

Professor Luo Jiayou

Dean of Maternal, Child and Adolescent Health Department

Xiangya School of Public Health

Central South University
