

斯伦贝谢长和（SCP）是由全球领先的油田技术服务集团斯伦贝谢与长和实业于 2010 年 9 月共同出资成立的中外合资企业，是集油气田先进工程技术的开发和应用、公路货物运输、油气田工程物资销售和化工石油工程施工总承包为一体的综合油田工程技术服务公司。

SCP is a joint venture between Schlumberger, the world leading oilfield technical services provider, and Copower Group. It was established in September 2010 to provide integrated technical services for the oil and gas industry, including oilfield technology development and application, highway goods transportation, petroleum and petrochemical projects management and oilfield assets materials sales.

长和实业成立于 1996 年，业务涵盖能源、油田工程、金融、房地产管理、再生能源、现代农业等各行业，现有员工 2000 余人，是一个大型综合性经济实体。长和实业位居中国石油行业前列，完善的管理制度以及成熟的作业技术是公司的领先标志。

Founded in 1996, Copower's business now covers a wide range of fields, such as energy, oilfield assets, finance, real estate and property management, renewable energy and modern agriculture. Copower is a large and comprehensive corporation with over 2,000 employees. Copower's thorough management processes and mature operation technology marks its leading role in China's petroleum industry.

斯伦贝谢（Schlumberger）成立于 1926 年，当前市值 1000 多亿美元，位列世界 500 强前 50 名，是全球领先的油田技术服务集团。近年来，为了更好的服务客户，斯伦贝谢形成了以油藏评价、钻井和生产 3 大集团，以 15 个专业部门为基础的全方位一体化服务体系。

Established in 1926 and with over 100 billion dollars market capitalization today, Schlumberger is the world's leading oilfield technical services company, ranking among the 50 in the Fortune Global 500. In recent years, Schlumberger has formed a comprehensive and integrated services system. Their services have been combined into three groups (Reservoir Characterization, Drilling and Production) based on 15 oilfield segments in order to service client better.
